

THE NATIONAL HOUSE PROJECT

Eligibility Criteria

In order to apply for Aspirational Awards you will need to:

- Have been living in your own home for at least 6 months
- Have completed the House Project Programme*
- Be able to explain how the award will impact on your future
- Have discussed your application with a member of staff from your local House Project who is willing to support you with your application and plan if successful
- The panel will consider video or voice note applications, but these must contain the same information as the form and as much detail as possible
- Applications for driving licences or driving lessons will not be considered
- If successful in your award, you will be expected to have made use of the award within six months, unless there are extenuating circumstances for it to be extended
